US BOYS

Registered U. S. Patent Office.

Skinny Is a Pretty Unlucky Chap

TOUGH LUCK

Skinny Shiner's father, after being away from home for almost three years, and on the water wagon for 454 days, according to his own count, the night before last attended a dinner given in his honor, by the gang he used to hang around with, all good fellows too.

Somewhere or other, during all the excitement and good fellowship at the dinner, Skinny's old man forgot to drink water and at 3 o'clock in the morning when he got home, he found that the house wasn't big enough to hold anybody but him, so his wife and son had to get out.

Mrs. Shiner and Skinny after wandering around the streets for a while finally called on the Flynns who took them in. Mrs. Shiner rested on the couch in the living room and Skinny crawled into bed with Shrimp.

If you care to look at the pictures to the right, you will see how he fared.
